To: The La Salle Community  
From: Dr. Margurete Walsh, Assistant Vice President for Human Resources  
Date: March 14, 2014

Each year, the President honors all full-time employees who have attained five-year service milestones with the University. This event has been moved to Heritage Week to more closely align with La Salle’s mission and greatly honor the faculty and staff for their service, dedication and loyalty to the University. Those individuals listed below have reached one of the five-year milestones in 2013 and they will be honored at a ceremony on March 21, 2014. Please join me in congratulating them and acknowledging their service to the University in reaching these important milestones.
